I, the undersigned, would like to see the FairTax Act passed and become federal law to replace our current income tax. I would like to have the 16th Amendment to the Constitution repealed. Furthermore, in support of these efforts, I would like to be added to the FairTax Nation's permanent and visible Online Petition. Please tell my elected official or their their representative or any candidates for government office or their representative to contact me at www.FairTaxNation.com so I can verif that I want the Fair Tax Act to become the law of the land.
